

# POOJA MAITY

## Java Developer

+91-9811436227

@ poojamaity16@gmail.com

https://www.linkedin.com/in/pooja-maity Kolkata, India

## SUMMARY

Skilled in Java, Object-Oriented Programming (OOP), C programming, and MySQL. Seeking a full-time job opportunity to apply coding skills, collaborate effectively in teams, contribute to real-world projects, and gain hands-on experience in a professional software development environment. I am enthusiastic about learning full-stack development to broaden my skill set.

## EDUCATION

### B.TECH CSE (AI & ML)

Brainware University - Kolkata, West Bengal

2021 - Present

SGPA (upto 5th sem)

9.5 / 10

### HIGHER SECONDARY EXAMINATION

D.A.V. Public School

2020 - 2021

- Total Percentage : 80%

### SECONDARY EXAMINATION

DAV Public School

2018 - 2019

- Total Percentage : 78%

## PROJECTS

### Identification Of Health Crisis During Covid-19 Using Machine Learning Techniques

Machine learning techniques can aid in identifying health crises during Covid-19 by analyzing various data sources like symptoms, hospital admissions, and social media trends. Algorithms can detect patterns indicative of emerging outbreaks, enabling early intervention and resource allocation. This proactive approach enhances public health response and mitigates the spread of the virus.

## TECHNICAL SKILLS

### JAVA

Advanced

### C

Advanced

### MySQL

Intermediate

### DATA STRUCTURES AND ALGORITHM

### PYTHON

Intermediate

### DBMS

Intermediate

### HTML, CSS

Intermediate

## ACHIEVEMENTS

Good Academic Research Practice At University Level

Published a paper in the 'Current Research in Engineering and Technology' (ICCRET-2023) international conference, showcasing research and contributions to the field.

Participated in coding competition organized by CSE department of our university in 'National Innovation day' and coding competition organized by Greeks For Greeks.
